

Fossatún Rock'n Troll Café

Fossatún is located in mid-Borgarfjörður, at the banks of the salmon river Grimsá-river. Here is one of the most beautiful viewing points in Borgarfjord and to see the Troll Waterfalls and the Borgarfjordur mountain circle.

Included in the group lunch menu is:

Access to The Troll Garden

The Troll garden includes short walks, Trollwalk and Folktalewalk, based on books written by the proprietor of Fossatún, Steinar Berg, The Last Troll and Trunt, Trunt – tales of trolls, elves and folks. In the rock by the Troll Falls the face of Drifa, the main character of The Last Troll, is visible. Guests in lunch groups get a 500 ISK discount of the trollbooks and the author will autograph if he is on location.

Vinyl Favorites

Owners huge vinyl and CD collection is in the dining hall. Guests can request records to be played during their lunch.
